

## **Brion-Meisels Clip 6**

*[These facilitator notes provide commentary and ideas that might be helpful as you use these raw video clips with other educators.]*

This clip demonstrates Brion-Meisels' empathy for her students – “I’m going to share because you all have to deal with this [filming of a personal story].” She then shares a vulnerable story about how she has doubts about how well she handled a delicate ethical dilemma.

It is powerful to see that vulnerable story followed by a vulnerable share from a student. We feel like these kinds of conversations are a privilege to be a part of, help form strong community bonds, and make the learning much deeper and longer lasting.
