

Kegan Clip 1

[These facilitator notes provide commentary and ideas that might be helpful as you use these raw video clips with other educators.]

We picked this clip, along with many other openings, to give you a sense of various ways you could begin class. Here, Kegan speaks without notes in a compelling fashion, tying together previous concepts and talking about the tasks and goals for the day. We find this to be a nice framing of the session in a short amount of time.
