

Mansbridge Clip 5

[These facilitator notes provide commentary and ideas that might be helpful as you use these raw video clips with other educators.]

Just like with her class opening, Mansbridge is very efficient and effective in her closing, in our opinion. In less than four minutes, she summarizes the key points from today's class and primes students on how to approach the readings and the topic for the next class. We appreciate how she has created her own primer for Foucault, to help students do the readings with more comprehension. Mansbridge also ends by commending the class on a "great class", at which point they applaud. As we filmed in the classroom that day, we felt like we had just been lucky to witness a special dynamic between a very tight knit class.
